

# EVERYDAY IMPLANTS FOR THE GENERAL DENTIST

You don't have to go to a foreign country to get real world experience placing dental implants. The Phelps Institute allows the exclusive opportunity to come to North Carolina, even without a North Carolina license, to place an implant under our guidance on a **LIVE patient**.

Whether you're learning to place your **first implant or trying to improve** upon your current implant experience and confidence, The Phelps Institute can help by giving you the opportunity to choose the clinical cases you would like to perform such as Immediate Placement, Guided Bone Regeneration, Sinus Lifts & Full Arch Implants.

## LIVE SURGERY PERFORMED BY ALL ATTENDING DOCTORS

### Course Topics:

- Review of the Sweden & Martina implant system and indications for use.
- Case treatment planning. Picking the right implant for the right situation.
- Management and avoidance of implant complications.
- Hands On workshop with dental models.
- Live patient experience by the attendee.

This has been the best course I have taken since my initial four-day implant course in the Dominican Republic. The course focused on advanced subjects, particularly sinus lift. I felt confident to return to my office and perform this procedure. I had a five-implant case today, my largest EVER. I used so many of the skills that you taught me, and I felt as though you were sitting on my shoulder and whispering to me every step of the way. It was a pleasure to learn from you, Dr. Kang, such a wonderful teacher and accomplished practitioner. Thank you so much! I am so fortunate!

Dr. Suzanne Shapero, Baldwinsville, NY

20th -21st  
**October 2023**

Charlotte, North Carolina

[bit.ly/implantoct2023](https://bit.ly/implantoct2023)

Space is limited to the first **10 doctors** registered. Don't miss out on this opportunity!

Mid-Cape Lab is committed to helping advance your education so, to help, they're offering paid sponsorships on your behalf. What does this mean? That means Mid-Cape Lab will pay for you, your associate, or whomever you choose to send to the course. In exchange, all they ask is that you provide them with a guaranteed amount of lab work each month until you've paid them.

Want to bundle in your opening implant order of implants, motor, surgical handpiece and burs? Done. Want to bundle in a new intraoral scanner for your office? Done! The choice is yours. If you'd like to take advantage of the Mid-Cape Lab Sponsorship Offer just type SPONSORSHIP in the promotional code section on the registration page and you will pay nothing up front or if you'd like more information about this offer, please feel free to email us at [chris@drphelpshelps.com](mailto:chris@drphelpshelps.com). We also offer 12 months financing through one of our preferred vendors. Ask us for details on either the Lab Sponsorship or the 12 months financing options.

Cancellations received 14 days or more before the event will be eligible for a full refund of their registration fees.

Cancellations received within 7-14 days of the event will be eligible for a refund of 50% of their registration fees or will be able to use the credit to attend another course if able.

Cancellations received within 48 hours of the event will not be eligible for a refund of their registration fees, but may use the credit to attend another course if able.
